XTEK awarded \$A2.4m purchase order from the Australian Defence Force

- **Purchase order is for a variety of X-Ray equipment for Army Explosive Ordnance Disposal (EOD) purposes.**
- **Under the project, XTEK will also supply forensics equipment and consumables.**

Canberra – Tuesday, 17 October 2017: XTEK Limited (ASX:XTE) is pleased to announce it has received a purchase order from the Australian Defence Force (ADF) for the supply of X-Ray equipment worth A\$2.4 million.

The purchase order is for a variety of X-Ray equipment for Army Explosive Ordnance Disposal (EOD) purposes and was awarded under a project for XTEK to supply X-Ray and forensics equipment and consumables to the ADF.

“This purchase order win is evidence of our strong contract pipeline given the increased spending by the Australian Government on its defence needs,” said XTEK Managing Director Philippe Odouard.

“We expect further purchase orders under such projects over the next year or two and look forward to updating investors as we achieve these milestones. The increased demand from the Australian Government underlines our robust revenue growth outlook for the 2018 financial year.”
