

Release to the Australian Securities Exchange

Supply of Unmanned Aerial Vehicles to the ADF

Canberra – Monday 22 December 2014: XTEK Limited (ASX:XTE) is pleased to advise that it has received an Australian Defence Force (ADF) Purchase Order to the value of **\$7.698m** (GST inclusive), for the supply of AerovVironment Unmanned Aerial Vehicles (UAV's) for use by the Australian Army. The order is scheduled to be delivered by May 2015.

The placement of this significant order for UAV's demonstrates XTEK's capability to provide the ADF with specialist tactical intelligence, surveillance and reconnaissance technology capabilities. It further emphasises the Company's reputation as a leading supplier of high-end tactical solutions to Defence and Law Enforcement communities.

XTEK Limited is a leading company in the Australian Homeland Security Market. XTEK's knowledge and expertise is focused on the delivery of protection and sustaining solutions for defence forces, state and federal law enforcement agencies, corrections and customs services, and government clients. For more information visit the XTEK web site at www.xtek.net
