XTEK SECURES \$1.1M PURCHASE ORDER WITH DEFENCE FOR THE SUPPLY OF X-RAY GENERATORS

- **XTEK will provide X-Ray Generators to the Australian Defence Force (ADF).**
- **This follows another contract for similar equipment to the ADF worth \$0.2m delivered in the last few weeks**

Canberra – Tuesday, 14 February 2017: XTEK Limited (ASX: XTE, 'the Company') is pleased to announce that the Company will supply X-Ray Generators to the Australian Defence Force (ADF) to the value of \$1.1 million.

"The strong sales momentum that XTEK is experiencing has allowed us to build our base of recurring revenue through the provision of maintenance services by our highly specialised technical staff," said XTEK Managing Director Philippe Odouard.

"We have made a positive start to the year and we expect to deliver a strong revenue growth for 2017 full year as the Company further positions itself as the leading supplier of choice for X-Ray generators across the military, police and security markets."

About XTEK Limited

XTEK Limited is a leading company in the Australian Homeland Security Market. XTEK's knowledge and expertise is focused on the delivery of protection and sustainment solutions for the government, law enforcement, military and commercial sectors.

The supply and maintenance of Small Unmanned Aerial Systems (SUAS) is becoming a major focus for XTEK.

In addition, XTEK has developed a range of new technologies which it is now commercialising for the international market. XTclave™ composite protection products and XTatlas™ real time geospatial video provide novel solutions for western military forces.
